# Objectives

- Create new, independent website
- Administered by elected webmaster
- Content accessible by **general** public
- Mirror content on the SPE website

# Progress

- Draft Website contains meeting minutes and presentations [www.ISCWSA.net](http://www.ISCWSA.net)
- New domain purchased and webhost subscription fee annual cost – 59.45 USD
- [www.dreamhost.com](http://www.dreamhost.com)
- website Main page – next ISCWSA meeting information
  - plus regonline link

# 6 months development

- Add pages for each workgroup publishing minutes and documents
  - Error Model Maintenance
  - Collision Avoidance
  - Well intersection
  - Education
- blog for each workgroup and for the main meeting

# Suggestions and Requests?

- Unlimited storage space what do we want to add?
- Webinars of main meeting?
- Please send suggestions and requests to
- [pharbidge@slb.com](mailto:pharbidge@slb.com)
  
- Link to the new e-book Dec 2011
