

# ISCWSA Website Update

SPE ISCWSA #35  
Edinburgh

10<sup>th</sup> May 2012

Phil Harbidge  
Schlumberger  
[pharbidge@slb.com](mailto:pharbidge@slb.com)

# Objectives

- Create new, independent website
- Administered by elected webmaster
- Content accessible by **general** public
- **Mirror content on the SPE website**

# Progress

- ISCWSA Website contains meeting minutes and presentations [www.ISCWSA.net](http://www.ISCWSA.net)
- New domain purchased and webhost subscription fee annual cost – approx 100 USD per year
- [www.dreamhost.com](http://www.dreamhost.com)
- website Main page – next ISCWSA meeting information
  - plus regonline link and meeting details

# 6 months development

- Added pages for each workgroup publishing minutes and documents
  - Error Model Maintenance
  - Collision Avoidance
  - Well intersection
  - Education
  - QA QC Workgroup
- blog for each workgroup and for the main meeting - not implemented could do if we want it

# Suggestions and Requests?

- Unlimited storage space what do we want to add?
- Webinars of main meeting?
- Please send suggestions and requests to
- [pharbridge@slb.com](mailto:pharbridge@slb.com)

## **2012 to do list**
