## Wellbore Positioning Technical Section

The Industry Steering Committee on  
Wellbore Survey Accuracy (ISCWSA)

- Attended by around 20 students
- A lot of good questions about wellbore surveying
- Multiple ISCWSA sign-ups during the meeting using QR code

- Attended by 5 students (much smaller chapter)
- 3 Doctorate students, 1 Master's
- A lot of interest in getting involved and collaborating with ISCWSA
- Professor and 2 Master's students looking to collaborate on research and possibly a paper or presentation

# Takeaways

- Current Petroleum Engineering students are taught basically nothing about wellbore surveying
- Smaller chapters are wanting to get involved, but don't get as much interaction from nearby companies
- A lot of interest in ISCWSA Online Training Course

# SPE Gulf Coast Section Young Professionals

- Starting to attend events hosted to interact with other technical sections
- March 31<sup>st</sup> – Lunch and Learn @ Collide HQ
- April 23<sup>rd</sup> – Putt Putt Scholarship Fundraiser
- More to come!
