

# Well Intercept Sub-Committee

Chad Hanak on behalf of Roger Goobie

# Goals of Sub-Committee

Well Intercept Sub-Committee

- Bibliography ✓
- Lexicon ✓
- Ranging e-book ✓\*
- Updated SPE paper ✗\*

# E-Book Status

- Content compete
  - Last scrub for units by March 25
- Ready for technical writer
  - Needs to look professional
  - Tyler Milford to check with free option in HAL
  - Other options exist
  - Will be done and posted prior to next meeting
- Hand off to Education Sub-Committee for maintenance

# Updated Paper Status

- Original paper was SPE 173097
  - “A Guide to Relief Well Trajectory Design using Multidisciplinary Collaborative Well Planning Technology”
- Original idea was to update the paper to be reflective of the e-book
  - Group felt that was unnecessarily duplicative

# Future of Sub-Committee

- Major focus is nearly completed
- Decided on one more meeting to ensure roll-out of the e-book was successfully completed
- Roger Goobie has completed his 2 year term
  - ISCWSA Chairperson can appoint a successor if deemed necessary
