

ISCWSA Distinguished Member Award

Dave McRobbie

1

Dave McRobbie

**Sperry Sun International Incorporated
Tech 21**

ISCWSA Distinguished Member Award

Distinguished Membership: Established in 2016, the Distinguished Member award recognizes Industry Steering Committee on Wellbore Survey Accuracy (ISCWSA) members who achieve distinction deemed worthy of special recognition. This award acknowledges members who have attained eminence in the petroleum industry or the academic community, or who have made significant contributions to ISCWSA. Dave McRobbie is the first member to be officially recognized as a Distinguished Member. Future ISCWSA meetings will include special recognition for new members to be awarded the status of a Distinguished Member.

Just some of Dave's achievements

- Founder member of ISCWSA in 1994
- Widely Respected Contributor to ISCWSA
- Both Field and Office experience on and offshore
